**To Whom It May Concern:**

**I am writing this letter today to recommend to you Mr. John Minor, and his company, Complete General Contracting, Inc., 14 Live Oak Drive, Suite A-1, Gulf Breeze, FL 32561.**

**Mr. Minor and his company have been assisting us with our insurance claims and construction projects since 2004. Beginning with hurricane Ivan and continuing through another hurricane, 2 fires in our units, and one vehicle that smashed into one of our many rental units, Mr. Minor and his staff have always been there to assist us.**

**We cannot say enough about Mr. Minor and his staff's attention to detail and their ability to get the maximum insurance payments from the insurance companies and to do the job within that estimate.**

**Should you have damage to one of your properties, I can recommend no-one more highly than Mr. Minor and his company to handle your insurance claim and the rebuilding of your property.**

**Very truly yours,**

**Carla C. Dedolph
