

### CERTIFICATION OF COMPLIANCE WITH PARKING LOT GUARDRAILS

Re: Case No. \_\_\_\_\_

Property Address: \_\_\_\_\_, Bldg. No.: \_\_\_\_\_, Sq. Ft.: \_\_\_\_\_

Building Description: \_\_\_\_\_

I am a Florida registered professional  engineer  architect with an active license.

On \_\_\_\_\_ 20\_\_\_\_, I inspected the parking lots servicing the above referenced building for compliance with Section 8C-6 and determined the following (check only one):

The parking lot(s) is not adjacent to or abutting a canal, lake, or other body of water.

The parking lot(s) is adjacent to or abutting a canal, lake or other body of water and parked vehicles are protected by a guardrail that complies with Section 8C-6 of the Miami- Dade County Code.

The parking lot(s) is adjacent to or abutting a canal, lake or other body of water and parked vehicles **are not** protected by a guardrail that complies with Section 8C-6 of Miami-Dade County Code. I have advised the property owner that he/she must obtain a permit for the installation of the guardrail and obtain all required inspection approvals to avoid enforcement action.
